

Dear Christian friends,

In a few weeks, we will be meeting together, seeking the Lord for a great revival in your church. It is a privilege for me to be involved in this work with you. Seeking the Lord together, we may see Him answer many prayers and change many lives.

As often as it is said, prayer is the most important preparation for revival. We are all on the side of prayer, but I'm asking you now, for the next few weeks, to put time aside to pray for revival.

Folks, the pressing need in our world is for spiritual revival! The next generation needs to see the work of the Lord in an extraordinary way. Unless we pray in an extraordinary way, we will not see an extraordinary movement of God in our churches and cities.

Do you believe this? Will you believe, with your pastor and with me, that God wants to pour out His Presence and power among us? I am asking you to make an extra effort in prayer. I am pleading with you to plead with God on behalf of your family, your church family, your town, your teenagers and your schools.

Who knows? Perhaps the Lord will turn His face toward us and visit us in power!

Believing with you,

Jonathan Hewett
